## 1. **Aims**

The aims of relationships and sex education (RSE) at the Academy are to:

- 1.1. Provide a framework in which sensitive discussions can take place
- 1.2. Prepare students for puberty, and give them an understanding of sexual development and the importance of health and hygiene
- 1.3. Help students develop feelings of self-respect, confidence and empathy
- 1.4. Create a positive culture around issues of sexuality and relationships
- 1.5. Teach students the correct vocabulary to describe themselves and their bodies

## 2. **Statutory requirements**

- 2.1. As a secondary academy, we must provide relationships and sex education (RSE) to all students as per section 34 of the Children and Social work act 2017
- 2.2. In teaching RSE, we are required by our funding agreements to have regard to guidance issued by the secretary of state as outlined in section 403 of the Education Act 1996
- 2.3. At Fareham Academy we teach RSE as set out in this policy

## 3. **Policy Development**

This policy has been developed in consultation with staff, students and parents. The consultation and policy development process involved the following steps:

- 3.1. Review – The Deputy Headteacher responsible for the curriculum pulled together all relevant information including relevant national and local guidance and developed a draft policy
- 3.2. Trustee consultation – trustees were presented with the draft policy at the Policy Committee to allow them to make recommendations
- 3.3. Staff consultation – all school staff were given the opportunity to look at the draft policy and allow them to make recommendations
- 3.4. Parent/carer consultation – parents and carers were invited to attend an online meeting about the draft policy
- 3.5. Student consultation – we investigated what students want from their RSE through student council meetings
- 3.6. Ratification – once amendments were made, the policy was shared with trustees and ratified

## 4. **Definition**

- 4.1. RSE is about the emotional, social and cultural development of students, and involves learning about relationships, sexual health, sexuality, healthy lifestyles, diversity and personal identity
- 4.2. RSE involves a combination of sharing information, and exploring issues and values
- 4.3. RSE is not about the promotion of sexual activity

## 5. **Curriculum**

- 5.1. Our curriculum is set out as per Appendix 1 but we may need to adapt it as and when necessary
- 5.2. We have developed the curriculum in consultation with parents, students and staff, taking into account the age, needs and feelings of students. If students ask questions outside

the scope of this policy, teachers will respond in an appropriate manner so they are fully informed and don't seek answers online

## 6. Delivery of RSE

- 6.1. RSE is taught within the personal, social, health and economic (PSHE) education curriculum, including through Focus Days
- 6.2. Biological aspects of RSE are taught within the science curriculum, and other aspects are included in the religious education (RE) curriculum
- 6.3. Students also receive stand-alone sex education sessions through timetabled PDL lessons
- 6.4. Aspects of RSE are delivered through our assemblies

RSE focuses on giving young people the information they need to help them develop healthy, nurturing relationships of all kinds including:

- 6.5. Families
- 6.6. Respectful relationships, including friendships
- 6.7. Online and media
- 6.8. Being safe
- 6.9. Intimate and sexual relationships, including sexual health

These areas of learning are taught within the context of family life taking care to ensure that there is no stigmatisation of children based on their home circumstances (families can include single parent families, LGBT parents, families headed by grandparents, adoptive parents, foster parents/carers amongst other structures) along with reflecting sensitively that some children may have a different structure of support around them (for example: looked after children or young carers).

## 7. Roles and Responsibilities

### 7.1. **The Board of Trustees:**

- 7.1.1. The Board of Trustees will approve the RSE policy, and hold the Headteacher to account for its implementation

### 7.2. **The Headteacher:**

- 7.3.2. Modelling positive attitudes to RSE

- 7.3.5. Responding appropriately to students whose parents wish them to be withdrawn from non-statutory or non-science components of RSE
- 7.3.6. Staff do not have the right to opt out of teaching RSE. Staff who have concerns about teaching RSE are encouraged to discuss this with the Headteacher  
The Deputy Headteacher responsible for the curriculum is responsible for the delegation of the teaching of RSE at the Academy

### 7.4. **Students:**

- 7.4.1. Students are expected to engage fully in RSE and, when discussing issues related to RSE, treat others with respect and sensitivity

## **8. Parents' right to request withdraw**

- 8.1. Parents have the right to request the withdrawal of their child from the non-statutory or non-science components of sex education within RSE up to and until 3 terms before the child turns 16. After this point, if the child wishes to receive sex education rather than being withdrawn, the Academy will arrange this
- 8.2. Requests for withdrawal should be put in writing using the form found in Appendix 2 of this policy and addressed to the Headteacher
- 8.3. A copy of the withdrawal request will be placed in the student's educational record
- 8.4. The Headteacher (or an appointed representative) will meet with the parents to discuss the request and take appropriate action which may include the withdrawal of their child from the non-statutory or non-science components of sex education. Parents will be asked to provide details of the sex education provided at home
- 8.5. Parents are not able to request the withdrawal of their child from statutory components of sex education, science components of sex education, relationship education or health education
- 8.6. Alternative work will be provided to students who have been withdrawn from sex education

## **9. Training**

- 9.1. Staff are trained on the delivery of RSE as part of their induction and it is included in our continuing professional development calendar
- 9.2. The Headteacher will also invite visitors from outside the academy, such as school nurses or sexual health professionals, to provide support and training to staff teaching RSE

## **10. Monitoring arrangements**

- 10.1. The delivery of RSE is monitored by the Senior Leadership Team through:
- 10.2. Planning scrutinies, learning walks and book scrutinies
- 10.3. Students' development in RSE is monitored by class teachers as part of our internal assessment systems
- 10.4. This policy will be reviewed by the Deputy Headteacher in charge of curriculum on a biannual basis. At every review, the policy will be approved by the Headteacher and trustees
