

Dear parent/carer

I am writing to provide you with some important information regarding the year 9 subject option timeline. As your child is now approaching the end of Key Stage 3, they need to start thinking about the subjects they wish to choose to continue to study into Key Stage 4. All students will study English language, English literature, mathematics, Geography and/or History.

Important Dates

| Event Information | Date/time |
|--|----------------------------------|
| Options Assembly for Students | Wednesday 16 th March |
| Options Information Evening (Parents & Students) | Thursday 17 th March |

It is very important that you attend the Options Information Evening with your child as you will not only receive information on how to select option choices but also the opportunity to speak with subject leaders about your child's suitability for the course of study. The Options booklet will also be launched on the evening.

Due to COVID restrictions on numbers attending the school, we can only offer 1 child and 1 parent/carer a ticket to attend. Please choose **one** of the available sessions (5pm – 6pm or 6pm – 7pm).

To confirm your attendance to the Options Information Evening please sign up [here](#).

Kind regards
