

October 2022

Dear Parent/Carer,

Year 11 Assessment Calendar 2022-2023

I am writing to inform you of the year ahead regarding Pre-Public Exams (PPEs), Reports and Parents Evenings for your child.

Pre-Public Exams (PPEs):

Pupils sit two sets of PPEs (Mocks) throughout the academic year, these support staff in understanding gaps in knowledge to improve lesson content and homework, it also supports pupils to understand their strengths and weaknesses to help guide their revision.

To ensure your child is getting the most of these PPEs, it is essential that pupils complete the exams to the best of their ability. Your Son/Daughter will have already received their personalised timetable for the PPEs after half term. Please take note of the assessment dates, so you are able to discuss with your child upcoming assessments and support them with any revision.

Reports:

Reports will be sent home via your child approximately two weeks after the PPEs, and before parents' evening. These will contain the working at grades, predicted grades, plus behaviour and attitude to learning grades. If your child loses their report, please do not hesitate to contact reception for a new report to be sent home.

Parents Evening:

Parents evening are a crucial element towards ensuring the best outcomes for you child. We therefore strongly advice attendance to both parents' evenings. These represent a great opportunity to speak to the class teacher and discuss progress, targets and how to improve outcomes. A sheet referred to as the 'Pupil progress action plan' will also be sent home with the report. Please bring this along to the evening to support conversations.
