Dear Parent/Carer

You will be aware that we underwent an Ofsted inspection in October. This was a very positive experience, and we are delighted that the report confirms that Fareham Academy continues to be a **good** school.

The full report is now available [here](#) on our website and will be released on the Ofsted site within the next 5 working days. We are extremely pleased that Ofsted endorsed our high standards in behaviour and safeguarding, including pastoral care, as well as recognising the constant development in the quality of education across the whole school. It was very pleasing to receive acknowledgement for the ambitious curriculum we offer and the commitment to our students achieving their very best no matter their needs.

I would like to thank everyone involved in the inspection including staff, students, trustees, and parents/carers. Thank you to everyone who sent in well-wishes. I cannot tell you how much it meant to us all to receive your kind words and support throughout the inspection.

Yours faithfully

Mr Pranker
