Participation in Education or Training

The chart below shows that 96.7% of Fareham Academy Year 11 students in 2025 moved to participating situations that meet the DfE-defined 'Raising the Participation Age (RPA)', meaning these leavers are continuing in education or training until the age of 18.

Of the remaining 3.3%, the 'Other' category includes young people who are on a temporary break, unable to engage due to personal reasons, whose situation is unknown, or who have moved out of the area.

Comparison with Hampshire

The chart below shows the total Hampshire cohort and indicates that 93.6% of Hampshire Year 11 leavers moved to positive post-16 situations in 2025. The percentage for Fareham Academy is higher than that for Hampshire, indicating that Fareham Academy leavers are less likely to become NEET (not in education, employment or training). Fareham Academy learners are more likely to have positive destinations post-16.
