

Online guidance for adults caring for young people

Hampshire and Isle of Wight Constabulary

Our Education Partnership Team have produced 8 bite-size online safety videos for adults caring for young people. The inputs cover subjects that parents and Schools have identified as the main area of concern for their children and young people whilst they are online. The videos are between 1 to 8 minutes long and we advise watching them in order. A full transcript of the videos is available and will be shared alongside this document.

Please find links below:
