

RE: Pre-Public exams and school interventions

Dear Parent, Carer,

As we finish the last week of this half term I would like to reiterate the importance of revision and preparation in readiness for the first set of Pre-Public (mock) examinations starting Monday 30th October. You now all have copies of the materials shared at the recent Raising Standards Evening, please encourage your son/daughter to make the most of the time at their disposal so they are fully prepared for the exams on their return to school.

In tutor time, and assemblies, we have been looking at being organised to support personal preparation and we have focused on several revision strategies. All students have been given a revision support guide to help them manage and structure their revision. Please encourage them to use the content of this book to help guide them. To support students and ensure they have eaten breakfast before the Pre-Public examinations we will be providing cereal bars and water for all Year 11 students in the main hall from 8am. In addition, we will also be providing “warm up” sessions prior to the Maths, English and Science exams in the main hall, all students are encouraged to attend from 8am.

Warmups				
Date	Subject	Paper	Time	Venue
30.10.23	Maths	Paper 1 (calculator)	8am	Hall
31.10.23	Science	Biology	8am	Hall
1.11.23	English	Language Paper 2	8am	Hall
2.11.23	Maths	Paper 2 (Non-Calc)	8am	Hall
3.11.23	English	Literature Paper 2	8am	Hall
9.11.23	Science	Physics	8am	Hall

Once the Pre-Public examinations have finished, we will launch our next phase of in school and after school progress interventions. After half term your son/daughter will receive their personalised tutor time and after school intervention session allocation. It is our expectation that all students attend after school interventions to support their preparations for the examinations next summer. Whilst the PPE's are in operation, we will be running a general revision program for the subjects listed below, all students are encouraged to attend. Once the PPE's have finished our next wave of bespoke progress interventions will start on the week beginning 13th November.

Engineering	Mrs Moore	C9				Music	Miss Lawrence	C10
						Engineering	Mrs Moore	C9

Over the half term break I will also be adding your son/daughters progress interventions to their Talaxy timetable. To view these, you will need to log into Talaxy and change the view in the top right corner as shown below in the blue box. This will enable you to view any interventions including detentions.

If you have any questions about the Pre-Public examinations or the school progress interventions, please do not hesitate to contact me on c.collins@fareham-academy.co.uk

Yours faithfully

Mr C Collins
Assistant Headteacher – Raising Standards Lead
