

# Mr G Day

## HEAD OF YEAR 7

Welcome to all our new Year 7s,

I would like to introduce myself to you as your Head of Year at Fareham Academy.

I am sure that you are maybe a little bit nervous and/or excited about making the move up to secondary school. I want to reassure you that myself and the other staff here at Fareham Academy are here to make your transition to us a little easier and less scary.

Hopefully I will get to meet most of you during Transition Week when you will get to try different lessons in the school, meet your tutors and some of your teachers, and get an idea of how we do things here.

You probably have lots of questions already, so please do ask as much as you need to when you arrive and we will do our very best to help and support you as best we can.

We want you to feel at home right away and we all know that learning your way around a new school and timetable can take time to get used to and everyone here at the school was new once. If you are not sure what to do or where to go, please ask someone and they will help you.

Remember that there are lots of other people in exactly the same position as you and that together, we'll make it work!

Our school motto is Unlocking Potential; Creating Opportunity and here at Fareham Academy, you will have access to lots of exciting new experiences and opportunities; You will learn new subjects, meet and make new friends and develop as young people. We look forward to going on that journey with you and helping you on your way.

**Mr Day**

HEAD OF YEAR 7
