SCHOOL PROSPECTUS

UNLOCKING **POTENTIAL** CREATING **OPPORTUNITY**

Welcome to Fareham Academy

We are very proud to be at the heart of our community, serving the next generation of young people as they enter a world as yet unknown. Regardless of starting point or need, our motto of ‘unlocking potential’ drives us to ensure everyone is able to be the best version of themselves, and leaves us both happy, and successful.

MR RJULL
HEADTEACHER

“It’s clear that **all students** at Fareham Academy are given the **best start possible**, regardless of their abilities or backgrounds.”

— A PARENT REVIEW OF FAREHAM ACADEMY

At Fareham Academy, we maintain high expectations in all aspects of school life, including behaviour and uniform. Key to this is how students communicate with each other, our staff, and members of the wider community. Our core values of Resilience, Aspiration, and Kindness underpin everything we do. These values guide our work and help us cultivate a love of learning and self-improvement, ensuring that our students leave the Academy as well-mannered, confident, and culturally rich individuals.

Our Academy is a welcoming, vibrant, and exciting place to learn. We believe that every child is an individual, and we offer a broad and balanced curriculum that caters to their diverse needs. With the support of our outstanding pastoral team, we ensure that every student feels cared for and guided. We also work closely with parents and encourage student voice through our passionate and dedicated Student Leadership Team.

We are excited to welcome all new students and look forward to supporting them as they embark on their learning journey with us. As they forge their own paths through the Academy, we will celebrate their accomplishments and remain committed to discovering the unique qualities within each of them that will unlock their true potential.

WE VALUE RESILIENCE

Growing up in this technological twenty-first century requires resilience and innovation. At Fareham Academy, we are committed to working with our community to build bright futures for our students within a safe, inclusive, and inspiring environment, where learning is at the heart of everything we do.

Through our aspirational and culturally enriching curriculum, we nurture global citizens, preparing our students to continue their journeys as positive, considerate, and well-rounded individuals.

From Sports Day and House competitions to national events and challenges, we are always proud to witness the effort, determination, and resilience our students demonstrate in everything they do.

We also celebrate achievements made by our students beyond school, recognising their successes to both congratulate them and inspire their peers. Among our alumni, we are proud to count professional footballers, nationally recognised gymnasts, and international performers — a testament to the resilience and ambition that defines Fareham Academy.

“The **guidance** and **encouragement** here have really helped my child navigate setbacks and grow in **confidence**.”

— A YEAR 9 PARENT

PERSONAL DEVELOPMENT LEARNING

At Fareham Academy, we believe young people should leave school equipped with the knowledge, skills, and confidence to make well-informed decisions about their lives, while also respecting and valuing the rights of others.

Our Personal Development Learning curriculum enables students to explore a wide range of personal, social, and health education themes, building the foundations they need to become active citizens who contribute positively to their community and beyond.

Across all year groups, students receive tailored careers and progression guidance, ensuring they are fully aware of the diverse pathways available to them. National events such as Apprenticeship Week are celebrated, and students are encouraged to explore the full breadth of post-16 opportunities.

RAK DAYS

Throughout the year, our Resilience, Aspiration, and Kindness Days offer students the chance to engage in enriching experiences such as workshops, inspirational visiting speakers, and practical skills training including first aid.

SKILLS FOR LIFE

At the heart of PDL are the lifelong principles of leadership, organisation, resilience, independence, and communication. These qualities are woven into lessons and tutor time activities, helping students to grow into confident, considerate, and well-rounded individuals, prepared for life beyond school.

curriculum

“I want to lead and motivate my peers to believe in themselves and embrace all the extra opportunities Fareham Academy has to offer.”

— LOUIE I, HEAD PREFECT

WE VALUE ASPIRATION

Student leadership at Fareham Academy plays a vital role in shaping both our school community and the wider world. We believe leadership is not just about titles or authority, but about setting an example and inspiring others to make a positive difference.

Our student leaders embody the values of resilience, aspiration, and kindness, using these principles to foster collaboration, respect, and a shared sense of purpose among their peers.

Through leadership opportunities, students are encouraged to build strong relationships, develop empathy, and take pride in making Fareham Academy the best it can be. We empower them to take initiative, share their voice, and become advocates for meaningful change — both within the Academy and beyond.

ENRICHMENT & EXTRACURRICULAR

We are proud to be a student-centred Academy that inspires ambition, creativity, and active engagement. Our enrichment programme encourages students to explore, create, challenge, and lead, broadening horizons and nurturing skills that extend far beyond the classroom.

TRIPS & VISITS

From theatre performances and university taster days to outdoor adventures and cultural excursions, our trips and visits offer students the chance to connect learning with the wider world. These experiences spark curiosity, build confidence, and create lasting memories, whether students are exploring new environments, deepening subject knowledge, or celebrating achievements.

Discover our full range of trips and visits

EXTRACURRICULAR CLUBS

Our enrichment programme also offers a wide variety of extracurricular clubs, with all of our teaching staff contributing to the activities available at lunchtimes and after school. From STEM Club and Chess Club to British Sign Language and the Duke of Edinburgh Award, our provision caters for a diverse range of interests and talents.

These clubs allow students to develop teamwork, confidence, and resilience, while promoting enterprise, integrity, and personal responsibility. They play a vital role in helping students to discover passions, explore new challenges, and grow as individuals.

WE VALUE KINDNESS

At Fareham Academy, kindness is at the heart of everything we do. We believe that a culture of respect, empathy, and compassion allows every student to feel valued and supported, creating an environment where they can truly thrive.

Kindness is more than a value we talk about; it is something we practise every day. From the way our students treat one another, to the supportive relationships built with staff and the wider community, we encourage everyone to lead with understanding and generosity of spirit.

Through acts of kindness, whether in the classroom, during extracurricular activities, or out in the community, our students grow into considerate, responsible young people who contribute positively to the world around them.

We are proud of the inclusive, caring atmosphere that defines Fareham Academy and helps our students flourish, not only as learners but as compassionate individuals.

“When I first joined Fareham Academy, everyone was so **welcoming**, and my teachers were there for me if I needed any **help** or **support**.”

— A YEAR 7 STUDENT

STUDENT LEADERSHIP

Student leadership at Fareham Academy enables students to build relationships and empower others to make a difference in our school and the local community. Leadership is not about power, authority or control but about encouraging others to improve the way things are done by being a positive role model and displaying passion.

Our student leadership programme consists of two initiatives; our student leadership stages and the student leadership team (Head Prefects, Deputies and Department Prefects). It is through this programme that we hope to guide students towards being positive, self-reflective, confident, organised and flexible individuals.

We believe leaders are made, not born. Every student has the capability of becoming a great leader and we hope our student leadership programme can nurture and develop the potential in every student through opportunities, experience but most importantly by recognition.

STUDENT LEADERSHIP STAGES

It is the Academy’s responsibility to make sure that students leave being confident, responsible and aspirational citizens.

The Student Leadership Stages programme enables students, staff and parents to recognise the actions our students are already undertaking to demonstrate the qualities of a good leader. Our students are taught to believe that they have the capabilities to become the leaders of their generation and inspire the people around them.

The Leadership Stages are accessible to all students and they are encouraged to attempt Leadership Stages 1 and 2. Leadership Stages 3 to 5 suit students who are more committed, confident and evaluative of their own learning. Students are recognised and rewarded for the leadership actions they take within school.

Find out more about our Student Leadership

Confidently lead within a class and to a small audience.

Confidently present to a larger audience within their own year group.

Confidently present to groups of staff and pupils from other year groups.

Confidently present to the whole staff and work with pupils from other schools and from all year

Lead confidently and proficiently within the wider community and at national level.

ACADEMY CURRICULUM

At Fareham Academy, our curriculum forms the foundation from which we strive to unlock every student's potential and create a lifetime of opportunity.

We believe that all students, regardless of their starting point, are entitled to a broad, balanced, and inclusive curriculum. Ours is thoughtfully designed to be ambitious for all, while ensuring that learning is carefully adapted to support students of all abilities, including those with special educational needs and/or disabilities.

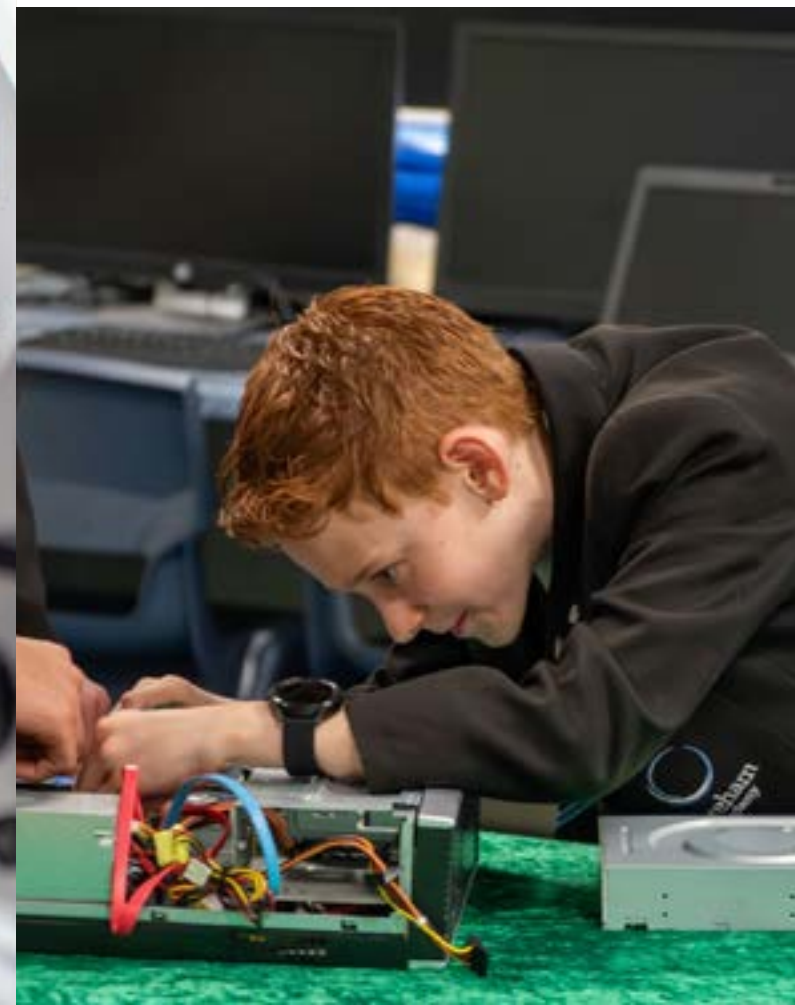

“The curriculum is well designed and knowledge is organised in a sensible order. Teachers have the subject knowledge they need.”

— OFSTED, 2026

Our curriculum is designed to instil strong foundations in Reading, Literacy, Numeracy, and SMSC. These are woven throughout every subject area, ensuring students develop essential skills for both academic success and personal growth.

Through an aspirational and culturally enriching curriculum, we nurture global citizens, preparing students to continue their journey as positive, considerate, and well-rounded individuals, ready to make a meaningful impact in the wider world.

journeys

Zoe Hartley
PERFORMER IN ROYAL CARIBBEAN'S 'CATS'

"My teachers were all so supportive towards my outside hobbies. My music teacher came to see my third-year musical show at Laine Theatre Arts and still to this day is very supportive."

Thomas Andersen
AUTOMOTIVE & MOTORSPORT ENGINEERING
STUDENT WITH A RED BULL RACING PLACEMENT

"I think Fareham Academy gave me the best school experience I could have possibly had in Fareham. I don't regret choosing to go there one bit."

William Hosell
GRADUATE ENGINEER AT ONTIC

"My time at Fareham Academy set the foundations for where I am today. In my early years at school, I could not decide what I wanted to do with my life or where I wanted to go, and through the guidance of staff as my education progressed, I realised I wanted to be an engineer. Without that encouragement from staff throughout my time at the school, I would not now hold a Masters degree!"

Ria Wilson
TEACHING ASSISTANT

"I loved my time at Fareham Academy. All the staff were so supportive and wanted to help me achieve my best. I will always be grateful to have such fond memories of secondary school."
